Road and Ellis Street
Lawnton commencing
at 8:00 pm**

The Annual General Meeting will be held on Friday 29th August at the Hall.

The next working Bee will be Sunday 7th September. Note this is Fathers Day.

Giddy All,

AGM time is upon us. Come to the meeting and have your say on the new Committee and the running of the club.

What can I say about the Airshow this year. We were blessed with perfect weather, all the advertising worked perfectly, a huge number of people attended and we all had a ball. We also made a few bucks as well, Bill will give you the run down at the meeting. It was one of the most successful Airshows to date. As an indication of our community popularity we had people calling us wanting to provide services to the crowd. I will get the pix up on the website soon.

Don't forget Dons Flying School is sponsoring a Fun Fly on 20 September, lots of good prizes so come along.

There will be no September Airwaves as I will be away on holiday.
