The July General Meeting and AGM will be Friday 26th July at the Hall on the corner of Todds Road and Ellis Street Lawnton. commencing at 8:00 pm.

Annual General Meeting Friday 26th July 2002

Airshow

Sunday 28th July 2002

Pilots wishing to participate must call Graham Tattersall ASAP. This is important so he can prepare a realistic flying program.

We still need some assistance at the Kippa Ring display. Please ring Bill Rowland if you can help, even if only for a short time. It is not fair to expect Bill to take most of this load himself, so call him NOW!!!

General helpers are also needed for the day. Even if you have a flying commitment you may still be able to assist in setting up etc. Contact Col Parry to volunteer.

The library is going well but we need more up to date magazines, V. Berger showed a cord he uses when starting his plane to avoid run-aways .

Be careful when taxiing in pit area, especially coming back in, stop before getting to the actual pits.
