**Treas. Report:** Read to meeting. Moved to be accepted, Bill Rowland, seconded Graham Kennedy, CARRIED

**CFI Report:** The 36th Nationals are from 28 Dec 02 to 24 Jan 03. We are still getting a lot of new members coming in. The Club Trainer is nearly up to its "use by" date. Jim Hill will try to get us a new one ASAP, as all the other gear is OK. We have been asked by a member if we have finished with the pavers at the field. If so, could he have them. It was voted to give them away, mainly to clear up the area.

The following members attained their BRONZE WINGS.

Mark Johnston, Keith Hennaberry, Will Dyer, Shain Chater, Dave Reynolds.

The members who went to Kingaroy had a wonderful time. About 22 PRAMS members and various family members attended. Some tried their night flying abilities and the fog the next morning made it interesting trying to see their models.

**Field Maintenance:** Not much to be done, just fence patrol, mowing etc. We have the opportunity to get an inverter and batteries so we can run a fridge all the time and have drinks for sale. At this stage we are investigating running the generator once a week to recharge the batteries.

**Catering Report:** We made a good profit from the fly in. It was suggested that whenever the Catering was being done by the club, that general use of the equipment by members be banned as it makes too much work to clean up after them.

**General Business:** The members wanted to know if any more had been heard on the field lease. At this stage we are still looking at acquiring our own field but nothing to report so far.

Meeting closed at 9 PM, the raffle was won by Col Parry.
