Giddy everone, here we are at the last Airwaves for 2002.

By now you should all know about the Christmas Party. To attend you MUST RSVP NO LATER than 29 November. This very conveniently corresponds with the General Meeting and the Auction, so come along, sign up for the Christmas Party and buy or sell some bargains.

Col has asked me to tell everyone that this year he Christmas Party there will be more games for the kids to keep them amused. Things like 3 legged races, egg and spoon races and other games are planned.

The annual club Auction is this Friday night after the meeting. Bring along anything and everything you might like to offload. Traditionally we see a lot of the same stuff each year, so it would be nice to see some new merchandise. Keep in mind the main aim of the night is to have lots of fun.

You will see in the notices above two working bees are listed. The first is to prepare for the Christmas Party. Normally we don't have a January working bee, however we have found that mowing and general maintenance work gets too far behind between December and February, so this year there is another working bee scheduled for 12 January.

I wish you all a good Christmas and a Happy new Year.

Danny

It is with a certain amount of disappointment that we have been advised of the impending departure from the club of Peter Clarke. For those of you who haven't heard as yet Peter has finally graduated as a fully trained school teacher and has been offered a position at Barcaldine. A position he has accepted.

Flying mostly on Sunday mornings, it has been a pleasure to watch you fly and more importantly we appreciate the assistance you have given to new and old students- like me.

I feel that I can speak for most people in so far as we will miss your company and happy disposition. In addition we wish you well in your new endeavour and trust that you will find a new club at which you can pursue your hobby.

Needless to say we will look forward to seeing you again when next you are in Brisbane.

Best Wishes.

Sporty 40 we only had 7 flyers start, and one dropped out due to under cart problems. The judges stated that the quality of flying was very good and it was put down to using proper strips so more discipline was needed to land when learning. The wind was all over the place and not kind to the flyers. There will be another sporty 40 held in Coolam in Feb 03 so the winner would be the only one who could not fly in this one.

We have received a letter from MAAQ on our insurance and in summing up have been advised;

1. All flying must comply with the rules and regulations of the MAAA
2. Contrary flying should be a reportable offence and should be dealt with severely.
3. All clubs and members should be made aware of this.
4. Gung ho/rambo type flying has the potential to cause massive problems to all insured parties ( especially the innocent)

Tres report was read to the meeting and accepted

CFI Report we have had another 3 members go solo and the CFI. will be our auctioneer for the November meeting, so don't forget all your old stuff to auction off. And bring your money to buy all the good stuff.

Field Maintenance report . Not a lot to be done the shade cloth needs refitting and just general maintenance. The Xmas party will be on the 8th Dec, so we will need a working bee on Sat 7th Dec to get things ready for the party, we will also be having a working bee on sun 12 Jan. to tidy things up after the Xmas/New Year break.

Catering report, the November meeting we will be having a grog raffle so don't forget to allow a few dollars for your tickets.

General Business, Dave Harper went slope soaring at Laidley and had a good weekend, Dave says more members should go along and join in the fun.

The report in the last airwaves said that John Waller got a place in the sporty 40 that should read Tony Waller sorry mate. ( My fault Ed.)

About 8 members went to Bundaberg for the weekend and reported a very good weekend, this is a good field to visit. The President Col hopes to get showers up and running in the new year as we have a few weekends with other clubs visiting, it makes it so much better, for the visitors to be able to have a hot shower.

Any one who would like to borrow books etc from the club contact Dave Harper on 32611140

The raffle was won by Barry Newton with ticket no D95  
Meeting closed at 8.35pm
